### **Academics**

The school worked 230 days for classes VIII, IX and X, 219 days for VI and VII, 225 days for classes III to V, 202 days for class II, 214 days for class I. 182 days for pre-primary

**Reduction in Syllabi.** CBSE has reduced the Syllabi for Classes IX to XI by 30 %. The school covered those topics that are important for the students for future study. The school applied a similar reduction for classes 3 to 8 in accordance with the “Alternative Academic Calendar” published by NCERT. Grammar lessons for languages were not reduced. In other subjects, topics being deleted were included as activity learning. Play way method with fun filled activities was implemented for Classes I and II.

**Preparation for online classes/ Teachers Training** . The school started online classes on the zoom platform in April 2020. Considering the security aspects and feedback from Parents the school had taken following measures:-

a. Shifting to secure online platform by obtaining an educational license for G Suite. The license permits the use of

all features for online learning like Google Class Room, Google Meet, Google Forms and other tools available on Google.

b. The cyber security was further ensured by creating separate e mail IDs for all students.

c. The school arranged extensive training by Google for all the teachers. This training was for 5 days from 9 AM to 1PM. The training proved to be very effective and all teachers are conducting the classes in an efficient and interesting manner.

d. The school and teachers procured necessary hardware for conduct of the classes. The school has procured various hard ware and has increased the bandwidth to assist the teachers in taking online classes from school.

e. In scheduling the online classes, the school has taken into account various aspects like convenience of Parents, students & siblings, availability of devices, availability of parents to assist small children.

f. The teachers are regularly attending the various training programmes during off working hours. Each teacher has to undergo 50 hours of training in a year. Our teachers are meeting the requirement.

### **Academic Activities.**

a. Maths Activities were conducted once a week for each class/sec from Class I to VIII.

b. Students of Class X appeared in the NTSE examination.

c. Mental Maths and GK Tests were conducted regularly. E certificates have been sent to the class wisetoppers of the GK Test

d. Assessment of Speaking and Listening skills, map work and online practical's were conducted.

e. Art Integration and ICT integration have been strengthened

f. Our teachers have made 523 in-house videos on various subjects which were uploaded on the school You Tube channel.

g. The school conducted physical PTM for all classes there by providing an opportunity for the parents to interact with the teachers.

h. The school conducted Physical classes for VI to XI commencing from Jan 2021, the school had strictly adhered to all COVID Protocols. The conduct was very successful and there was positive feed back.
